

We are excited to announce our printed, FULL COLOR PTA Directory will be distributed to all PTA families in February 2021!

We have three price points to try and meet the needs of our many local supporters, both big and small. There is room for everyone to receive support within our PTA!

This is a great opportunity for you to both expand your reach and advertise your business to Fisher families while supporting a local non-profit!

Ad placement will be made on a first come basis with priority placement given to our Community Sponsors. For additional information on available Sponsor Opportunities, including our popular back cover, please visit our website, www.FisherPTA.org.

Reserve your ad today in the PTA Store at
www.FisherPTA.org

Space is limited, Ad sales will close when full but no later than Friday, February 5th!
